**MANUFACTURER'S CERTIFICATION STATEMENT FOR**  
**H.R. 8 AMERICAN TAXPAYER RELIEF ACT OF 2012**

**CAMELOT WINDOWS**

On January 2, 2013, President Obama signed the American Taxpayer Relief Act of 2012. This law extends the tax credits for qualified energy efficiency products into 2012 and 2013, for up to 10% of the cost of the improvement excluding installation costs. There is a \$200 maximum for ENERGY STAR® windows, and a \$500 maximum lifetime credit. Northeast Building Products Corporation manufactures certain exterior windows that have been independently tested to comply with the Version 5.0 requirements set out by the ENERGY STAR® program, depending on their installed climate zone. Northeast Building Products Corporation provides this Manufacturer's Certification Statement to identify and verify those exterior window models, and necessary options, that qualify as "Eligible Building Envelope Components" under the Act.

To qualify for the tax credit, eligible windows must be purchased and installed in an existing structure serving as a principal residence between January 1, 2012 and December 31, 2013. Northeast Building Products Corporation has determined that the following models are Eligible Building Envelope Components when ordered with the options listed:

**Trustgard Double Hung** with Foam Enhanced-Low "E"/Argon Gas

**Trustgard Slider** with Foam Enhanced-Low "E"/Argon Gas

**Trustgard Picture Window** with Foam Enhanced-Low "E"/Argon Gas/Grids

**Crusader Double Hung** with Low "E"/Argon Gas

**Crusader Slider** with Low "E"/Argon Gas

**Crusader Picture Window** with Low "E"/Argon Gas

**Crusader Casement/Awning** with Low "E"/Argon Gas

**Crusader Bows/Bays** with Low "E"/Argon Gas

The tax credit is claimed on IRS Form 5695 (Residential Energy Credits) when you file your tax return. Northeast Building Products Corporation is not a legal or tax advisor, and offers this statement solely to assist owners in the preparation of their taxes; consult a legal or tax professional with specific questions. Northeast Building Products Corporation disclaims any responsibility for determining whether an owner is entitled to receive the tax credit or amount, if any.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Eric Gerstenbacher
